

# HUNDITH HILL HOTEL

*Dear Guest*

*As Government restrictions take a hold and our local authority confirming that we are no longer able to provide a food and beverage service in our bar and dining room we are forced to change the way we will be providing a service to you.*

*On arrival you will have been informed of the changes and the below information will confirm the way we will be providing service to you for the foreseeable future.*

- On arrival your bedroom will have been cleaned and serviced and will not have had a previous guest in for at least seventy-two hours*
- Guest bedrooms will no longer be serviced each day of your stay and will not be cleaned and relet after your departure for a period of seventy-two hours or more*
- Additional towels, toiletries and refreshments will be provided upon request and left inside your room door*
- For your evening meal requirement and bar service please have a look at the menu in your room and call zero on your room phone to place your order and confirm your time of collection near reception. Your meal will be plated, and foil covered ready for your collection. This service will be available between 6.00 pm and 7.30 pm*
- Please leave your tray with crockery and cutlery outside your bedroom door when you have finished for our staff to collect*
- A separate breakfast menu will be in your room to make your sandwich selection from, please confirm your choice and pick-up time for your grab and go breakfast when you collect your evening meal*
- Your chosen requirements will be wrapped and bagged ready at your requested time of departure*
- You are reminded that sanitizer stations are provided in the reception and are for your use and protection*
- This information may be updated in due course as we monitor our methods of working and hope to improve our service to you during these very difficult times*

*We thank you for your cooperation during these very difficult times and hope we can all stay safe and well.*
